CCMC School *An Affiliate of Connecticut Children's Medical Center*

Services for Students with Autism Spectrum Disorders and Concurrent Behavioral Challenges

Academic Programming

- Comprehensive curriculum with differentiated instruction to meet the needs of students across the spectrum.
- Highly structured environment to support students in developing independent organizational and planning skills
- Focus on assisting students in developing a tolerance for change and coping with transitions
- Integrated use of technology within the curriculum
- Team building activities and social skills development integrated throughout the day

Therapeutic and Related Services

- Individual therapy for students, as well as family support, by licensed clinicians
- Classroom-based groups to emphasize social skills, anger control, assertiveness, conflict resolution, empathy development, self-esteem and relaxation training
- Classroom-based groups to address social language/pragmatics and sensory needs; sensory diets as applicable
- On-site psychiatric services for evaluation and medication monitoring
- Family outreach and parent training
- After hours crisis service
- Individualized behavior plans developed by licensed clinicians in consultation with certified school staff
- Occupational, physical and speech/language therapies as determined at PPT

Other Available Services

- Eight week diagnostic programming (S.T.R.I.D.E.)
- School consultation and community training
- Individualized transition planning
- Comprehensive assessment provided as requested
- On-site medical laboratory services

Connecticut Children's MEDICAL CENTER CCMC SCHOOL

Referrals

Referrals to the CCMC SCHOOL are made through the student's local education agency. The school maintains an "open door" policy and school district representatives, parents/guardians, and related professionals are welcome to arrange for a courtesy visit. Referrals and requests for information or for on-site visits should be directed to the CCMC SCHOOL Admissions Coordinators, Michele Affrunti or Ilene Perlman, at 860.837.6413.
