

# Connecticut Children's

Occupational and Physical Therapy, Feeding Team and Adaptive Equipment Services are located at 10 Columbus Blvd, Hartford CT 06106 Suite 401. We have free parking in underground garage with handicap and regular parking options. If you require handicap parking you also have the option of parking in lot on Columbus Boulevard just to the right of the entrance to the garage. This can be helpful if your vehicle is too large to enter into the garage. (vehicle 7' height maximum)

To enter underground garage please enter at Columbus Blvd.

Proceed Down ramp to the entrance of garage with sign above stating Hartford Square North. (Please note garage has a 7' clearance. Handicap parking is located on Columbus Blvd to the right of this entrance)

Push intercom button to speak to security and they will open gate. If no one answers there is cell phone number 860-936-2429

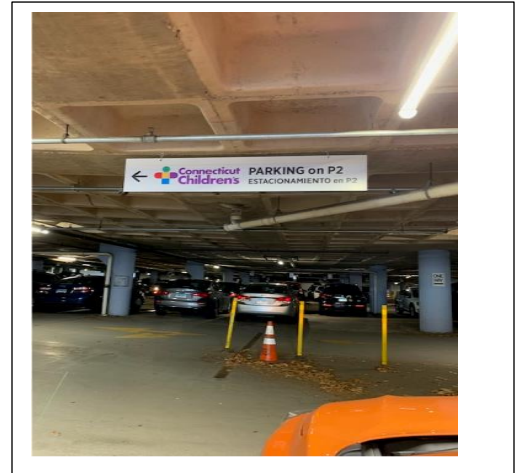

# Connecticut Children's

Proceed through the entrance and follow sign for P2 parking level to the left.

Proceed down ramp to P2 parking level

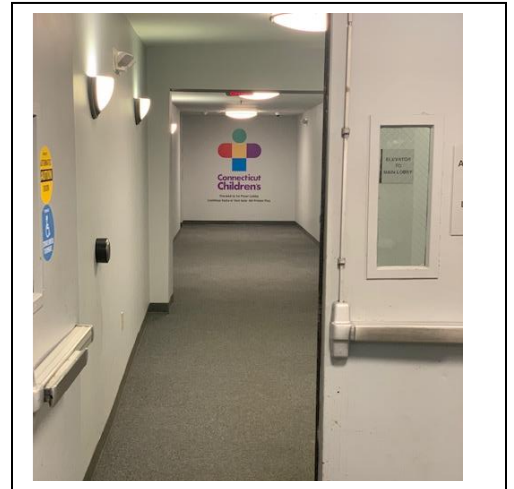

As you enter the lower level proceed to the far back right corner and you will see the entrance

# Connecticut Children's

Proceed through two sets of double doors and go down long hallway towards the CT Children's logo.

Take the elevator at the end of the hallway to the first floor.

Check in with Security which is located right when you come out of elevator in the lobby

From lobby take separate elevator to the fourth floor where we are located.
