

# Connecticut Children's *Center for Care Coordination*

Connecticut Children's Medical Center  
282 Washington Street, Hartford, CT 06106  
*1.877.835.5768 or fax 860-837-6201*

## **Our care coordinators can help your patients and their families by:**

- Assessing a child's needs.
- Connecting them to medical, behavioral, educational, legal, advocacy and social services.
- Helping them communicate effectively with all providers.
- Developing care plans for children with identified needs.
- Assisting them with medical, educational, vocational and community transition planning.
