SCREENING FOR SOCIAL DETERMINANTS OF HEALTH

Information Sheet for Care Network providers

There are several options for screening for social determinants of health needs in your patient population. Below are 3 popular options currently being used by your Care Network colleagues:

Social Needs Screening Tool-AAFP	Health Leads	PRAPARE

Below is a matrix of SDOH needs and whether these are addressed by each tool. If the patient screens positive in these domains and would like assistance consider a referral to the Better Health care coordination team (860-837-6200 or email betterhealth@connecticutchildrens.org) and/or have the patient/caregiver visit https://www.211ct.org/ for a list of locally available resources.
