

Your Pediatrician Works
in Collaboration With
Connecticut Children's!

You have access to **FREE** Care Coordination services
through Connecticut Children's

Care Coordination **empowers families** to **advocate** for their children and **connects** families to appropriate medical, behavioral, educational, legal and social services.

CALL US TODAY TO GET
CONNECTED 860.837.6200 or toll-free
877.835.5768, or email us at
center@connecticutchildrens.org

You may receive a call following a hospital stay or Emergency Department visit from one of our nurse care coordinators. Mary Mattaliano BSN RN CPN and Samantha Calhoon BSN RN ACM are here to help you:

- Ensure you have understanding of discharge instructions
- Confirm that you have access to all prescriptions
- Ensure follow-up appointments are scheduled
- Answer any questions you have
