SPRING 2020

The Hayley Petit Injury and Violence Prevention Fellowship

The Hayley Petit Injury and Violence Prevention Fellowship is awarded to two (2) women currently enrolled in a college or university. Fellowship recipients are recognized for their interest in injury and violence prevention.

ABOUT THE FELLOWSHIP:

Two (2) fellowship recipients will be selected for this exciting 8-week fellowship opportunity, at Connecticut Children's Injury Prevention Center (IPC) in Hartford, CT. The fellowship provides recipients with an introduction to the field of injury prevention within public health. Fellows will work with experts at the IPC to develop and design their own injury prevention-related project or may choose to work on an existing project in one of the IPC's primary focus areas including intimate partner violence, suicide prevention and teen driving safety. Fellows will have the opportunity to shadow a clinical health professional for an inside look at Connecticut Children's Medical Center.

Each fellowship recipient is awarded a \$1,000 stipend.

FELLOWSHIP REQUIREMENTS

- Open to students who identify as women, are U.S. citizens, and currently enrolled in a degree-granting program of a college or university.
- Recipients must be able to work on-site a minimum of 4 hours a week at Connecticut Children's Injury Prevention Center in Hartford, CT from February 17, 2020 through April 17, 2020.

HOW TO APPLY:

Submit a cover letter addressing both your interest in the program and what you hope to accomplish in or through the program along with a résumé.

Application deadline: **January 31, 2020**

Recipients will be notified February 7, 2020

Program Start Date: February 17, 2020

THE HAYLEY PETIT INJURY AND VIOLENCE PREVENTION FELLOWSHIP

The Hayley Petit Injury and Violence Prevention Fellowship was established with support from the Petit Family Foundation to honor Jennifer Hawke-Petit, Hayley Elizabeth Petit and Michaela Rose Petit and seeks to honor "the kindness, idealism and activism that defined their lives," while advancing our mission of reducing injury and violence among Connecticut's children, adolescents and adults through research, education and training of students, community outreach and policy advocacy.
