2020-2021
Traveling Grand Rounds
SPEAKER BUREAU | SPEAKER BUREAU LECTURES
SPEAKER BUREAU: MEDICAL STAFF

Kevin Borrup, DrPH, JD, MPA
Interim Director, Injury Prevention Center, Connecticut Children's; Asst. Professor in Pediatrics, UConn School of Medicine

John Brancato, MD
Interim Division Head, Emergency Medicine, Connecticut Children's; Associate Professor of Pediatrics and Emergency Medicine, UConn School of Medicine

Donna Boruchov, MD
Medical Director, Hemoglobin Disorders Treatment Center, Division of Hematology/Oncology, Connecticut Children's; Assistant Professor of Pediatrics, UConn School of Medicine

Christopher Carroll, MD, MS
Medical Director, Surgical Critical Care Research Director, Pediatric Critical Care, Connecticut Children's; Professor of Pediatrics, UConn School of Medicine

Hassan El Chebib, MD
Attending, Division of Infectious Disease and Immunology, Connecticut Children's; Asst. Professor of Pediatrics, UConn School of Medicine

Cem Demirci, MD
Medical Director, Diabetes Program, Division of Endocrinology, Connecticut Children's; Chase Family Chair in Juvenile Diabetes, Assistant Professor Pediatrics, UConn School of Medicine

Francis DiMario, MD
Director: Tuberous Sclerosis and Neurofibromatosis Clinics, Associate Chair Academic Affairs, Department Pediatrics, Medical Director, Human Research Protection Program, Chief Emeritus, Division of Pediatric Neurology, Connecticut Children's; Professor of Pediatrics and Neurology UConn School of Medicine

Barbara Edelheit, MD
Chief, Division of Rheumatology, Connecticut Children's, Asst. Professor of Pediatrics, UConn School of Medicine

Daniel Fisher, MD
Pediatric Critical Care, Connecticut Children's

Majida Gaffar, MD
Attending Division of Ophthalmology, Connecticut Children's

Jennifer Haile, MD
Attending, Primary Care, Connecticut Children's; Assistant Professor, Department of Pediatrics, UConn School of Medicine

Felice Heller, MD
Co-Director of the Connecticut Adult Congenital Heart Program, Connecticut Children's; Assistant Clinical Professor of Pediatrics, UConn School of Medicine

Jessica Hollenbach, PhD
Co-Director Asthma Center, Connecticut Children's; Assistant Professor, Department of Pediatrics, UConn School of Medicine

Eric Hoppa, MD
Attending Physician, Pediatric Emergency Medicine, Connecticut Children's; Assistant Professor of Pediatrics and Emergency Medicine, UConn School of Medicine

Michael Isakoff, MD
Clinical Director, Center for Cancer & Blood Disorders, Medical Director, Clinical Trials Unit Director, Connecticut Children's; Sarcoma Program Director, Reid R. Sacco Adolescent and Young Adult Cancer Program; Associate Professor of Pediatrics, UConn School of Medicine

Robert Keder, MD
Attending, Developmental and Behavioral Pediatrics, Connecticut Children's; Assistant Professor, Pediatrics, UConn School of Medicine
Isabella Knox, MD, EdM, FAAP, FABM
Attending Neonatologist, Connecticut Children’s

Garry Lapidus, PA-C, MPH
Director, Injury Prevention Center, Connecticut Children’s; Associate Professor of Pediatrics, UConn School of Medicine

W. Blaine Lapin, MD, FAAP
Attending, Division of Rheumatology, Connecticut Children’s; Assistant Professor of Pediatrics, UConn School of Medicine

Jessica MacCormac, DO, MS
Attending, Adolescent Medicine, Connecticut Children’s

Carlos Medina, MD
Clinical Director, Urology, Connecticut Children’s; Assistant Professor of Pediatrics, UConn School of Medicine

Siddika Mulchan, PsyD
Psychologist, Division of Hematology, Oncology, Connecticut Children’s; Assistant Professor, Department of Pediatrics, UConn School of Medicine

Nicole Murray, MD
Director, Center for Airway, Voice and Swallowing Disorders, Connecticut Children’s; Assistant Director, Pediatric Otolaryngology, Connecticut Children’s

Priya Phulwani, MD
Medical Director, Gender Program, Pediatric Endocrinologist, Connecticut Children’s; Adult Endocrinologist, Hartford Healthcare Medical Group; Assistant Clinical Professor of Pediatrics, UConn School of Medicine

Edward C. Kim, MD
Attending, Division of Pediatric Infectious Disease & Immunology, Connecticut Children’s; Assistant Professor of Pediatrics, UConn School of Medicine

Steven C. Rogers, MD, MS-CTR
Attending, Emergency Medicine, Connecticut Children’s; Associate Professor of Pediatrics; UCONN School of Medicine

Adam Silverman, MD
Director, Center for Global Health, Connecticut Children’s; Associate Professor, UConn School of Medicine

Raina Sinha, MD, MPH, FACC
Pediatric & Adult Congenital Cardiac Surgery, Connecticut Children’s; Asst. Professor of Surgery, UConn School of Medicine

Sharon Smith, MD
Research Director, Emergency Medicine Medical Director, PALS; Associate Program Director, Pediatric Residency Program, Professor of Pediatrics, UConn School of Medicine

Heather Tory, MD, MPH, CPPS
Associate Chief Quality and Patient Safety Officer, Connecticut Children’s; Asst. Professor of Pediatrics, UConn School of Medicine

Jennifer Twachtman-Bassett, M.S. CCC-SLP, CCRP
Autism Program Coordinator, Developmental and Behavioral Pediatrics Research Coordinator, Clinical Trials Unit-Department of Research

Shailendra Upadhyay, MD, CEPS, FHRS
Interim Medical Director, Division of Pediatric Cardiology, Director, Connecticut Adult Congenital Heart Service, Director, Electrophysiology Laboratory and Arrhythmia Service, Connecticut Children’s; Assistant Professor of Pediatrics, UConn School of Medicine
SPEAKER BUREAU: MEDICAL STAFF

Emily Wakefield, Psy.D.
Pediatric Psychologist, Division of Pediatric Psychology and Pain and Palliative Medicine, Connecticut Children’s; Asst. Professor of Pediatrics, UConn School of Medicine

Keri Wallace, MD
Attending Physician, Primary Care Assistant Professor of Pediatrics

Jessica Williams, MD
Pediatric Surgery, Obesity & Weight Management, Connecticut Children’s

Richard Young, MD, MPH
Attending, Division of Neurology, Connecticut Children’s; Associate Clinical Professor of Pediatrics and Neurology, UConn School of Medicine; Associate Clinical Professor of Pediatrics (Neurology), Yale School of Medicine

Bella Zeisler, MD
Program Director, Pediatric Gastroenterology Fellowship, Co-Director, Aerodigestive Disease Program, Connecticut Children’s
SPEAKER BUREAU: SURGICAL STAFF

Brendan Campbell, MD, MPH,
Chief Surgical Quality Officer
Donald Hight Endowed Chair in Pediatric Surgery, Connecticut Children's

Sonia Chaudry, MD
Attending, Division of Orthopedics, Center for Motion Analysis, Hand and Microvascular Surgery, Connecticut Children’s; Assistant Professor of Orthopedics, UConn School of Medicine

Janine Collinge, MD
Attending, Division of Ophthalmology, Connecticut Children's Specialty Group; Assistant Professor of Surgery, UConn School of Medicine

Caroline DeBenedictis, MD
Attending, Division of Ophthalmology, Connecticut Children’s; Assistant Professor of Pediatric Ophthalmology, UConn School of Medicine

Christine Finck, MD, FACS
Executive Vice President, Surgeon in Chief Connecticut Children's; Vice-Chairman Department of Surgery Professor Surgery and Pediatrics, UConn School of Medicine

Anna Katsman MD
Pediatric Orthopaedic Surgeon, Connecticut Children's

James Healy, MD, MHS
Pediatric Surgeon, Connecticut Children’s; Assistant Professor of Surgery, UConn School of Medicine

Leslie Knod, MD
Pediatric Surgery, Connecticut Children's

Mark Lee, MD
Attending, Orthopedic Surgery, Connecticut Children’s; Associate Professor of Pediatrics, Fellowship Director, Orthopedics, UConn School of Medicine

Kristan Pierz, MD
Medical Director, Center for Motion Analysis, Connecticut Children's

Mark Rieger, MD
Pediatric Orthopaedic Surgeon, Connecticut Children’s

Christine Rader, MD, FACS
Director, Extracorporeal Membrane Oxygenation Program, Connecticut Children’s

Paul Rychwalski, MD
Ophthalmology Division Head, Connecticut Children's

Scott R. Schoem, MD, MBA, FAAP
Director of Otolaryngology, Associate Director of Surgical Clinical Affairs, Connecticut Children's; Professor of Surgery, UConn School of Medicine

Richard Weiss, MD, FACS
Medical Director, Pediatric Surgery Division, Connecticut Children’s; Associate Professor of Pediatrics, Surgery, Traumatology and Emergency Medicine, UConn School of Medicine; Professor of Surgery and Pediatrics, Frank H. Netter MD School of Medicine, Quinnipiac University

Janet Zahradnik, MD
Orthopedics, Pediatric Surgery, Connecticut Children's
Adam Silverman, MD
Director, Center for Global Health, Connecticut Children’s; Associate Professor, UConn School of Medicine

Topic(s):
1. Building Institutional Global Health Programs
2. Severe Traumatic Brain Injury
3. Severe Sepsis and Septic Shock
4. Care of the Critically Ill Child in the Emergency Department

Sonia Chaudhry, MD
Attending, Division of Orthopedics, Center for Motion Analysis, Hand and Microvascular Surgery, Connecticut Children’s; Assistant Professor of Orthopedics, UConn School of Medicine

Topic(s):
1. Pediatric Hand Trauma
2. Congenital Hand Differences
3. Neonatal Brachial Plexus Injury
4. Common Non-Traumatic Pediatric Hand Conditions

Garry Lapidus, PA-C, MPH
Director, Injury Prevention Center, Connecticut Children’s; Associate Professor of Pediatrics and Public Health, UConn School of Medicine

Topic(s):
1. Preventing childhood and adolescent injury and violence
2. Intimate Partner Violence and its Impact on Children
3. Reducing Firearm Violence: Epidemiology, Community Programs, and Policy
4. Youth Suicide: Current Knowledge and Prevention
5. Promoting Teen Driver Safety: Your Role as a Pediatric Provider
6. Motorcycle Injury and Helmet Laws in the U.S

Jennifer Haile, MD
Attending, Primary Care, Connecticut Children’s; Assistant Professor, Department of Pediatrics, UConn School of Medicine

Topic(s):
1. Lead Poisoning

Richard Young, MD, MPH
Attending, Division of Neurology, Connecticut Children’s; Associate Clinical Professor of Pediatrics and Neurology, UConn School of Medicine; Associate Clinical Professor of Pediatrics (Neurology), Yale School of Medicine

Topic(s):
1. The Eye in Brain Disorders: Double Vision, Ptosis and Nystagmus
2. How to Manage Headaches in Children
3. Is it a seizure?
Priya Phulwani, MD
Medical Director, Gender Program, Pediatric Endocrinologist, Connecticut Children's; Adult Endocrinologist, Hartford Healthcare Medical Group; Assistant Professor of Pediatrics, UConn School of Medicine

**Topic(s):**
1. Medical Management of Gender Incongruence
2. Variations in Sexual Development (with Bonnie Scranton, LCSW and Anne Dudley, MD, Urology)

Eric Hoppa, MD
Attending Physician, Pediatric Emergency Medicine, Connecticut Children's; Assistant Professor of Pediatrics and Emergency Medicine, UConn School of Medicine

**Topic(s):**
1. ED Evaluation and Management of the Febrile Infant
2. Evidence Based Management of Common Pediatric Respiratory Infections
3. Toxicology Update: Recent Trends in Pediatric Ingestions

Steven Rogers, MD, MS-CTR
Attending, Emergency Medicine, Connecticut Children's; Associate Professor of Pediatrics; UCONN School of Medicine

**Topic(s):**
1. Suicide Identification and Prevention

Mark Lee, MD
Attending, Orthopedic Surgery, Connecticut Children's; Associate Professor of Pediatrics, Fellowship Director, Orthopedics, UConn School of Medicine

**Topic(s):**
1. Common Pediatric Upper Extremity Fractures and their Management
2. Common Pediatric Lower Extremity Fractures and their Management
3. Diagnosis and Treatment of Adolescent Idiopathic Scoliosis
4. Pediatric Knee Injuries
5. Orthopedic Manifestations of Marfan's, Arthrogryposis and Down's
6. Staying out of trouble in the Peds ED

Robert Keder, MD
Attending, Developmental Pediatrics, Connecticut Children's; Assistant Professor of Pediatrics, UConn School of Medicine

**Topic(s):**
1. ADHD
2. Autism
3. Bullying
4. Common Behavior Problems
5. Developmental Screening and Surveillance
6. Media Use & Mindfulness
**SPEAKER BUREAU LECTURES**

**Cem S. Demirci, MD**
Medical Director, Diabetes Program, Division of Endocrinology, Connecticut Children’s; Chase Family Chair in Juvenile Diabetes, Assistant Professor Pediatrics, UConn School of Medicine

**Topic(s):**
1. Type 1 Diabetes: Past, Present and the Future
2. Monogenic Forms of Diabetes
3. Hypoglycemia in Infants and Children

**Siddika Mulchan, PsyD**
Psychologist, Division of Hematology, Oncology, Connecticut Children’s; Assistant Professor, Department of Pediatrics, UConn School of Medicine

**Topic(s):**
1. An Introduction to Motivational Interviewing for Poor Adherence
2. Factors Impacting Readiness to Transition in Sickle Cell Disease

**Scott R. Schoem, MD, MBA, FAA**
Director of Otolaryngology, Associate Director of Surgical Clinical Affairs, Connecticut Children’s; Professor of Surgery, UConn School of Medicine

**Topic(s):**
1. Evaluation and management of hearing loss in children (includes cochlear implants and bone-anchored hearing aids)
2. Evaluation and management of neck masses in children
3. ENT problems in children with Down Syndrome
4. The Good, the Bad and the Ugly: Chronic Ear Disease Way Beyond Otitis Media
5. Why Every Boy and Girl Should Receive HPV Vaccination

**Michael Isakoff, MD**
Clinical Director, Center for Cancer & Blood Disorders, Medical Director, Clinical Trials Unit Director, Connecticut Children’s; Sarcoma Program Director, Reid R. Sacco Adolescent and Young Adult Cancer Program; Associate Professor of Pediatrics, UConn School of Medicine

**Topic(s):**
1. Hemangiomas
2. Bone Tumors (Osteosarcoma or Ewing Sarcoma)
3. Soft Tissue Sarcomas
4. Leukemia
5. Sickle Cell Disease

**Felice Heller, MD**
Co-Director of the Connecticut Adult Congenital Heart Program, Connecticut Children’s; Assistant Clinical Professor of Pediatrics, UConn School of Medicine

**Topic(s):**
1. Evaluation and Management of Syncope – A Common Problem, Nearly Always Benign (Except When It Isn’t)
2. Chest Pain in Children and Adolescents
3. The Child with Congenital Heart Disease Grows Up – Long Term Outcomes for Congenital Heart Disease
4. Congenital Heart Disease in the Newborn
5. Tetralogy of Fallot – Current Management and Long Term Outcomes
Bella Zeisler, MD
Program Director, Pediatric Gastroenterology Fellowship, Co-Director, Aerodigestive Disease Program, Connecticut Children’s

**Topic(s):**
1. General GI Topics:
   - Celiac Disease, Approach to GI Bleeding, IBS, Approach to Constipation, Approach to Diarrhea
2. Aerodigestive Topics:
   - Approach to Feeding and Swallowing Difficulties

Donna Boruchov, MD
Medical Director, Hemoglobin Disorders Treatment Center, Division of Hematology/Oncology, Connecticut Children’s; Assistant Professor of Pediatrics, UConn School of Medicine

**Topic(s):**
1. Approach to Anemia
2. Updates on sickle cell management
3. Immune Thrombocytopenic Purpura

Jessica MacCormac, DO, MS
Attending, Adolescent Medicine, Connecticut Children’s

**Topic(s):**
1. Eating Disorders
2. Evaluation and Management of Heavy Menstrual Bleeding in Adolescents
3. The Transition from Pediatric to Adult Medical Care for Youth with Special Healthcare Needs

Christopher Carroll, MD
Medical Director, Surgical Critical Care Research Director, Pediatric Critical Care, Connecticut Children’s; Professor of Pediatrics, UConn School of Medicine

**Topic(s):**
1. Social Media & Web-based Education in Medicine
2. Social Media & the Healthcare Provider
3. Severe Asthma in Children

Isabella Knox, MD, EdM, FAAP, FABM
Attending Neonatologist, Connecticut Children’s

**Topic(s):**
1. Tongue Tie
2. Breastfeeding & Use of Donor Human Milk
3. Milk Banking Update
Kevin Borrup, DrPH, JD, MPA
Interim Director, Injury Prevention Center, Connecticut Children’s, Asst. Professor, UConn School of Medicine

**Topic(s):**

1. Preventing childhood and adolescent injury and violence
2. Intimate Partner Violence and its Impact on Children
3. Reducing Firearm Violence: Epidemiology, Community Programs, and Policy
4. Youth Suicide: Current Knowledge and Prevention
5. Promoting Teen Driver Safety: Your Role as a Pediatric Provider

Jennifer Twachtman-Bassett, M.S. CCC-SLP, CCRP
Autism Program Coordinator, Developmental and Behavioral Pediatrics Research Coordinator, Clinical Trials Unit-Department of Research

**Topic(s):**

1. Autism spectrum disorders (most non-medical topics related to this).
   Some specifics include:
   o Communication issues across different ability levels and ages
   o Screening, diagnosis, and symptoms
   o Differential diagnosis of autism spectrum disorders vs. disorders with symptom overlap, including nonverbal learning disability, selective mutism, ADHD, anxiety, and others
2. The Communication-behavior connection and other areas related to communication disorders
3. Helping children prepare for and tolerate medical visits and procedures
4. Partnering with medical providers to meet the needs of patients

Barbara Edelheit, M.D.
Chief, Division of Rheumatology, Connecticut Children’s Assistant Professor of Pediatrics, UConn School of Medicine

**Topic(s):**

1. Juvenile Idiopathic Arthritis
2. Systemic Lupus Erythematosus (I am co-director of our new combined lupus program)
3. Systemic rheumatic diseases including Mixed Connective Tissue Disease, Juvenile Dermatomyositis, Vasculitis
4. Joint pain in kids
5. +ANAs and other lab tests used in rheumatology

Daniel Fisher, MD
Pediatric Critical Care, Connecticut Children’s

**Topic(s):**

1. DKA - Diabetic Ketoacidosis
2. Status Epilepticus
3. Sepsis and Septic Shock
4. Critical Airway
SPEAKER BUREAU LECTURES

Keri Wallace, MD
Attending Physician, Primary Care; Assistant Professor of Pediatrics

**Topic(s):**
1. Atopic Dermatitis
2. Acne
3. Update on Pediatric Dermatology

Emily Wakefield, Psy.D. *on maternity leave until Mid-August*
Pediatric Psychologist, Division of Pediatric Psychology and Pain and Palliative Medicine, Connecticut Children’s; Assistant Professor of Pediatrics, UConn School of Medicine

**Topic(s):**
1. Multidisciplinary approaches to pediatric chronic pain management
2. The challenges of pain assessment in children and adolescents with chronic pain
3. “Please Believe I have Pain”: How the invisibility of pain symptoms leads to stigma in adolescents with chronic pain
4. The impact of racial bias and stigma on health outcomes for adolescents and young adults with sickle cell disease

Hassan El Chebib, MD
Attending, Division of Infectious Disease and Immunology, Connecticut Children’s; Assistant Professor of Pediatrics, UCONN School of Medicine

**Topic(s):**
1. Osteomyelitis: an overview
2. Lyme disease: an overview
3. Recurrent infections and immune deficiencies
4. Chronic granulomatous disease

Edward C. Kim, MD
Attending, Division of Pediatric Infectious Disease & Immunology, Connecticut Children’s; Assistant Professor of Pediatrics, UConn School of Medicine

**Topic(s):**
1. Clostridium difficile infection
2. Cytomegalovirus infection
3. Sexually transmitted infections
4. Ophthalmia neonatorum
SPEAKER LECTURE SURGICAL TOPICS:

1. Trauma Update
2. Injury Intvention
3. Chest Wall Deformities
4. Surgical Emergencies
5. Acute ABD Pain
6. Lumps and Bumps in the Groin; Hernias, Hydroceles, and Undescended Testes
7. ABD and Pelvic Masses
8. Chest Masses,
9. Neonatal Surgical Problems
10. Head and Neck Masses
11. Surgical Chest Disease; Pneumothorax & Empyema
12. Minimally Invasive Surgery
13. Ovarian Problems

Brendan Campbell, MD, MPH
Chief Surgical Quality Officer, Donald Hight Endowed Chair in Pediatric Surgery Connecticut Children’s

Topic(s):
1. What’s New, Cool, & Evidence-based in Pediatric Surgery
2. Priorities & Pitfalls in Pediatric Trauma
3. Firearm Injury: From Primary Prevention to Public Policy
4. Using Clinical Pathways to Improve Surgical Quality
5. Common Gynecologic & Breast Conditions in Children

Caroline DeBenedictis, MD
Attending, Division of Ophthalmology, Connecticut Children’s; Assistant Professor of Pediatric Ophthalmology, UConn School of Medicine

Topic(s):
1. Ocular trauma
2. Strabismus and Amblyopia
3. Pediatric Cataract and lens disorders
4. Pediatric ocular surface disease
5. Pediatric diabetes vision screening

Christine Finck, MD, FACS
Executive Vice President, Surgeon in Chief Connecticut Children’s; Vice-Chairman Department of Surgery Professor Surgery and Pediatrics UConn School of Medicine

Topic(s):
1. Neonatal Lung Disease and Congenital Anomalies
2. Esophageal Disorders in Children and Innovative Approaches
3. Weight Management and Surgery in Children
SPEAKER LECTURE SURGICAL TOPICS:

Paul Rychwalski MD  
Chief of Ophthalmology, Connecticut Children’s

Topic(s):
1. Strabismus and Amblyopia  
2. The Red Eye  
3. Ocular Problems Not to Miss  
4. Ocular Manifestations of Pediatric Systemic Disease
Educating Practices brings timely, evidence-based information and materials to providers in a dynamic health care environment. Trainings help providers implement practice changes that are supported by community and state resources.

Educating Practices Trainings

1. ADHD Care
2. Autism
3. Behavioral Health Screening
4. Behavioral Health: Connecting to Services
5. Care Coordination
6. Childcare Health and Safety
7. Developmental Monitoring
8. Domestic Violence
9. Early Hearing
10. Family Support Services
11. Healthy Homes
12. Infant Mental Health
13. Injection Protection
14. Lead Screening
15. Obesity Prevention
16. Oral Health
17. Postpartum Depression and Anxiety
18. Promoting Protective Factors
19. Suicide Prevention
20. Teen Driver Safety
21. Trauma
Trainers

Abby Alter, MPH  
Child Health and Development Institute of Connecticut

Brenda Balch, MD  
Department of Public Health

Kevin Borrup, JP, MPA, PhD  
Connecticut Children’s and UCONN School of Medicine

Nancy Bruno, AuD  
Connecticut Children’s

Stacy Chandna, MS, CIP  
Connecticut Children’s

Chris Corcoran  
Connecticut Children’s

Patricia Garcia, MD  
Connecticut Children’s

Jason Lang, PhD  
Child Health and Development Institute of Connecticut

Susan Macary, MPH  
Child Health and Development Institute of Connecticut

Allison Matthews-Wilson, LCSW  
Connecticut Children’s

Erin Nozetz, MD  
Yale New Haven Hospital and Yale School of Medicine

Izabella Pulvermacher, RDH  
Department of Developmental Services

Katherine Ramirez, MBA  
Connecticut Children’s

Ann Reilly, RN, MSN  
Connecticut Children’s

Luz Rivera  
Connecticut Office of Early Childhood

Steven Rogers, MD  
Connecticut Children’s and UCONN School of Medicine

Ashley Starr-Frechette, MPH  
Connecticut Coalition Against Domestic Violence

Tesha Tramontano-Kelly  
CT Family Support Network

Nancy Trout, MD  
Connecticut Children’s and UCONN School of Medicine

Jennifer Twachtman-Bassett, MS, CCC-SLP  
Connecticut Children’s

Kathy Visinski, RN, MSN  
Connecticut Children’s

Barbara Ward-Zimmerman, PhD  
Consultant

To schedule a training, contact Educating Practices at educatingpractices@chdi.org or (860) 679-1527, or visit www.chdi.org/educating-practices.

Due to Stark Law, CT Children’s is limited to providing **4 lunches per practice** every calendar year.

To schedule a program, contact Trish Masse via email: tmasse@connecticutchildrens.org

Lunch and Learns are limited to practices with **3 or more providers** and lunch is provided for the physicians & mid-levels of your practice. **One CME credit is offered.** If there is a department or topic not listed, please ask Trish to accommodate your request.
Please note not all available lectures are listed; refer to Speaker Bureau for additional selections & the Office of Continuing Medical Education will be happy to inquire or put you in touch.

CME@connecticutchildrens.org
