NCapsolas@connecticutchildrens.org

GENERAL OBJECTIVE

The mission of Pediatric Grand Rounds is to inform attendees of new developments in various areas of health care for children.

CONFLICT OF INTEREST POLICY

All faculty participating in CME activities sponsored by Connecticut Children's are required to disclose to the program audience any actual or apparent conflict of interest related to the content of their presentations. Program planners have an obligation to resolve any actual conflicts of interest and share with the audience any safeguards put in place to prevent commercial bias from influencing the content.

Unless otherwise noted, the lecturers listed here do not have a financial interest/arrangement or affiliation with any organizations that could be perceived as a real or apparent conflict of interest in the context of the subject of their presentations. In cases where the lecturer discusses off-label or investigational uses of commercial products, he/she will identify such uses as off-label.

ACCREDITATION

Connecticut Children's is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Connecticut Children's takes responsibility for the content, quality, and scientific integrity of this CME activity. Connecticut Children's Office of Continuing Medical Education designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Connecticut Children's designates this educational activity for a maximum of 1 *AMA PRA Category 1 Credit(s)™* per lecture. Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn up to 1 MOC Part 2 point in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

Coordinator's Corner

brought to you by Connecticut Children's Office of CME

Target Audience: Activity Directors • Administrative Support • Learner's

Objective: Continuing Medical Education updates, policies, learning moments, and support

Office Hours- CME Applications AY 2021-2022

- Thursday, May 6; 9:00-9:30am
- Thursday, May 20; 9:00-9:30am
- Thursday, June 3; 9:00-9:30am

<https://connecticutchildrens.zoom.us/j/98481676216?pwd=MTdxS3dUeXFsbmhPb2t6NTJSNDhLZz09>

Password: 614779

- Review & answer questions in regards to the CME application process

Interested in an Eeds Subscription?

- **TRANSCRIPTS AND CERTIFICATES**

CE attendance information is available online 24/7. You no longer have to keep up with paper certificates and wonder how many credits you have for the year.

- **SELF-REPORTED CREDIT**

Use eeds to document events that are not sponsor reported such as Journal Clubs and teaching. You can also use eeds to record events that you have attended that do not use the eeds system. Any transcripts generated will include all events you attended including self-reported activities.

- **CLAIM MOC POINTS**

Track Maintenance-of-Certification requirements and claim MOC points for activities you attended offering this type of credit.

- **MOBILE-FRIENDLY**

Use the free eeds iOS App or Android app to instantly access to your CME records or just log on to the mobilewebsite at www.eeds.com. You may also use your mobile phone to sign-in to educational activities to receive attendance credit.

- **ONLINE ACTIVITY CALENDAR** Eeds helps healthcare professionals stay up-to-date with an online calendar. The calendar is searchable by multiple criteria, allowing members to quickly find a conference that will meet their needs.

- **TRACK CME REQUIREMENTS/GOALS** eeds can help you stay on top of your CME requirements

OFFICE OF CONTINUING MEDICAL EDUCATION APPLICATION FEES

Fee Schedule

- Application and Rush Fees**

External

New Application Fee	\$950.00
Renewal Application Fee	\$500.00
Rush Fee (proposals received <30 days to final deadline)	\$150.00

Internal

New Application Fee	\$350.00
Renewal Application Fee	\$150.00
Rush Fee (proposals received <30 days to final deadline)	\$150.00

CME Fees

- Conferences (1-3 Day Symposiums)**

Directly or Jointly Provided

New Application Fee	\$950.00
Renewal Application Fee	\$500.00

- MOC Part 2 & 4 Bundling***

New Application Fee	<i>Under Review</i>
Renewal Application Fee	\$200.00

Miscellaneous/Add-On Fees**

• Enduring Materials (Storage of activity in On-Demand Library)	\$100.00
• Audit as requested by ACCME and/or Certified Boards <i>(such as but not limited to ABP, ABO, ABOHNS etc) should CME activity be found non-compliant</i>	\$100.00
• Delinquent final report penalty (>6 weeks after activity completion date)	\$50.00
• CME Certificate Fee, <i>per certificate</i>	\$5.00
• Eeds Subscription Annual Renewal due each July	\$15.00

**The Office of CME is the sole reporting provider of MOC Part 2 & 4 credits.*

***In our efforts to best manage continued funding for external Grand Rounds speakers; please confirm with our CME Office that funds are available. Failure to do so will result in the department being financially responsible for their selected external speaker's travel reimbursements.*

May 4, 2021

Honorary Cooke Lecture

The Contributions of Pediatric Surgery to Medicine

Don Nakayama, MD, MBA

Clinical Professor, Department of Surgery,
Pediatric Surgeon, University of North Carolina at
Chapel Hill; Treasurer, American College of
Surgeons

Objectives:

1. Discuss how clinical and technological advances shape current medical advances.
2. Describe the centrality of mentor-mentee relationships in surgical training and the advancement of surgical science.

STATE MANDATED TOPIC

May 18, 2021

Honorary Markowitz Lecture

Congenital Syphilis- Enduring Pandemic

Juan Salazar MD, MPH, FAAP

Professor of Pediatrics and Immunology, Chair, Department
of Pediatrics, UConn School of Medicine; Executive Vice
President for Academic Affairs, Physician in Chief, Director,
Pediatric and Youth HIV Program, Connecticut Children's

Objectives:

1. Review the worldwide epidemiology of congenital syphilis.
2. Describe the variable clinical presentations of congenital syphilis.
3. Discuss appropriate treatment guidelines for congenital syphilis.

May 11, 2021

The Risk of Allergic Reaction to SARS-CoV-2 Vaccines
and Recommended Evaluation and Management

Matthew Greenhawt, MD, MBA, MSc

Associate Professor, Allergy Section, Department
of Pediatrics, University of Colorado School of
Medicine; Director, Food Challenge and
Research Unit, Children's Hospital Colorado

Objectives:

1. Identify the incidence suspected epidemiology and current policy related to allergic reactions to the COVID-19 vaccines.
2. Describe risk-mitigation steps regarding potential adverse reactions to COVID-19 vaccines.
3. Review the risk trade-off's with re-vaccination in the setting of an adverse reaction to a COVID-19 vaccine.

May 25, 2021

Movement Disorders in Children and
Young Adults

William Yorns, MD

tba

Objectives:

1. TBA
2. TBA

ASK the EXPERTS

May
2021

8am-9am | Fridays | Weekly | ZOOM

Connecticut Children's is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor Continuing Medical Education for Physicians

WEEKLY COVID UPDATES

John Schreiber, MD, MPH
Infectious Diseases and Immunology

Friday, May 7, 2021

Extended Q&A Session

** No sub-specialist topic*

John Schreiber, MD

Infectious Disease and Immunology;
Connecticut Children's

Friday, May 14, 2021

Thrombosis and Covid-19
infection and Vaccination

Donna Boruchov, MD

Hematology; Connecticut Children's

*****NO Sessions on 5/21 or 5/28*****

Objectives:

1. Provide Open forum Q&A to address Covid-19 concerns & inquiries.
2. Review COVID-19 weekly updates.
3. Arrange varying field expertise to discuss the effects of COVID in their field.

ACCREDITATION: Connecticut Children's is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Connecticut Children's designates this live activity for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should claim only credits commensurate with the extent of their participation in the various activities. The content of this activity is not related to products or services of an ACCME-defined commercial interest; therefore no one in control of content has a relevant financial relationship to disclose and there is no potential for conflicts of interest.

EVALUATION CODE 00RAMP

8:30-9:00AM

Introduction – Framing the Conversation:

David Henderson, MD

9:00-10:00AM

Keynote Speaker:

Nate Nickerson, RN, MSN, DrPH

10:00-11:00AM

Panel Discussion:

Overcoming Inherent Coloniality

Moderator: Adam Silverman, MD

Nancy Dunbar, MD

Victoria Forbes, MD

Christopher Hughes, MD

Cliff O'Callahan, MD, PhD

11:00am-12:00pm

Panel Discussion:

Addressing Gender Disparity

Moderator: Hareem Park, MD

Lisa LeBon, RRT

Susan Levine, MD

Natalie Moore, MD

Kristin Welch, MD

1:00-2:00pm

Keynote Speaker:

Renée Alcé, MD

2:00pm-3:00pm

Panel Discussion:

Lessons from the Global South

Moderator: Naveed Hussain, MD

Varalakshmi Niranjan, MD

Juan Salazar, MD MPH

Raina Sinha, MD

Shailendra Upadhyay, MD

3:00-4:00pm

Panel Discussion:

Reciprocal Learning in Global Environments

Moderator: Kevin Dieckhaus, MD

Steven Angus, MD

Linda Barry, MD, MPH, FACS

Melissa Held, MD

Edwin Zalneraitis, MD

Objectives:

1. Recognize the impact of colonialism and coloniality on global health.
2. Describe various strategies for decolonizing global health.
3. Describe methods for promoting equitable collaborations with global partners.

Target Audience: This activity is designed for pediatric advanced-practice nurse practitioners, physician assistants, registered nurses, and school nurses also may find the information valuable.
Accreditation: Connecticut Children's is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Connecticut Children's takes responsibility for the content, quality, and scientific integrity of this CME activity. Connecticut Children's Office of Continuing Medical Education designates this live activity for a maximum of 6 AMA PRA Category 1 Credit(s) TM. "Management of Screen Time Use in Children in the 2020s: A Toolkit for Pediatric Primary Care"

Robert Keder, MD

OBJECTIVES:

1. Describe and apply current research about screen use in children for pediatric primary care including socioeconomic and racial/ethnic disparities in screen time use.
2. Develop methods for discussing and assessing screen time use for children from birth through adolescence.
3. Distinguish when screen time use is suggestive of a possible underlying disorder and what next steps to take.

"Pediatric and Adolescent Knee Pain"

Allison Crepeau, MD

OBJECTIVES:

1. Describe the physical examination of the knee.
2. Discuss the causes of acute and chronic knee pain in pediatric and adolescent patients.
3. Describe basic treatment options for acute and chronic knee conditions such as meniscus injuries ACL tears patellar dislocation Osgood Schlatter Disease and patellofemoral pain syndrome.

Psychological Approaches to Pediatric Chronic Pain

Timothy LaVigne, PhD

"Improving Pediatric Sleep from Infancy Through Adolescence"

Lynelle Schneeberg, PsyD

OBJECTIVES:

1. Discuss ways of determining whether a child needs a sleep study or behavioral sleep training.
2. Discuss behavioral approaches to improve sleep for infants toddlers and school-aged children.
3. Discuss ways to help adolescents obtain adequate sleep.

Protect Kids Not Guns: What Pediatricians Can Do To Improve Firearm Safety

Alex Hogan, MD, MS, FAAP

OBJECTIVES:

1. Describe the scope of the problem of pediatric firearm-related injuries and review data related to firearm legislation.
2. Identify ways that pediatric providers can work towards improving firearm safety and preventing injury in the pediatric population particularly within 4 domains: advocacy, clinical care, education and research.

OBJECTIVES:

1. Describe the biopsychosocial model of pain
2. Review the cognitive triangle and adaptations for pain
3. Review behavioral and cognitive pain coping strategies

Sleep Apnea Lunch and Learn

Date: Tuesday, May 11, 2021

Time: 12:00 PM - 1:00 PM

Location: Virtual Conference Room

Watch this Lecture Remotely: <https://connecticutchildrens.zoom.us/j/98149511771?pwd=ZFFIS1BFTHI2U3dqHNETWpIZUZCZz09>

Presentation and Speaker Information:

- Sleep Apnea Lunch and Learn
 - Nancy Grover, MD
 - Jay Kenkare, MD
 - Lynelle Schneeberg, PsyD, Fellow, American Academy of Sleep Medicine

Kenkare

Schneeberg

Grover

Series Objectives:

- Explain how to better screen diagnose treat and refer patients.
- Identify what needs to be referred to a pediatric sub-specialist.
- Review when and how to refer to a sub-specialist.

Accreditation Statement:

- Connecticut Children's is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Connecticut Children's takes responsibility for the content, quality, and scientific integrity of this CME activity.

Credit Designation:

- Connecticut Children's Office of Continuing Medical Education designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
- The Connecticut Children's designates this live activity for a maximum of 1 Hour(s) Attendance w/ No Credit. Participants should claim only the credit commensurate with the extent of their participation in the activity.

Series Disclosures:

Accreditation:

Connecticut Children's is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. BI-ANNUAL JOINT PEDIATRIC SYMPOSIUM

SUMMER SESSION | FALL SESSION

Friday, June 4, 2021 8:00-11:30am
Friday, November 5, 2021 8:00:11:30am

Save your Virtual Seat [HERE!](#)

Target	• Pediatricians, Family Practitioners, APRNs, Physician Assistants, Nurses, and Audience Medical Students.
Objectives	• 1. Develop new skill sets based on recent pediatric advances in a wide variety of specialties. • 2. Identify evidence-based data to support improved outcomes in pediatric healthcare delivery. • 3. Improve the management of a variety of diseases with implications for clinical practice.

Accreditation: This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education by the Connecticut Children's. Connecticut Children's takes responsibility for the content, quality, and scientific integrity of this CME activity. Connecticut Children's Office of Continuing Medical Education designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s) TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MOC Part 2: Successful completion of this CME activity, which includes participation in the activity and individual assessment of and feedback to the learner, enables the learner to earn up to [3] MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

Conflict of Interest Policy: All faculty participating in Continuing Medical Education activities sponsored by Connecticut Children's are required to disclose to the program audience any actual or perceived conflict of interest related to the content of their presentation. Program planners have an obligation to resolve any actual conflicts of interest and share with the audience any safeguards put in place to prevent commercial bias from influencing the content. The planners, activity director and speaker(s) do not have a financial interest/arrangement or affiliation with any organizations that could be perceived as a real or apparent conflict of interest in the context of the subject of this presentation. The speaker(s) will not be discussing the use of any off-label product.
