

Connecticut State Mandated Lectures for Continuing Medical Education

Physicians in the state of Connecticut are required to complete a minimum of **50 contact hours every 24 months** in order to renew and maintain their license(s). Continuing medical education (CME) shall be in an area of the physician's practice, reflect the professional needs of the licensee in order to meet the health care needs of the public and during the first renewal period in which CME is required and not less than once every six years thereafter, include at least one contact hour of training or education in each of the following topics.

To learn more about the CT State mandated requirements click [HERE](#).

1. Risk Management
2. Infectious Diseases
3. Sexual Assault
4. Domestic Violence
5. Cultural Competency
6. Behavioral Health
