The Hayley Petit Injury and Violence Prevention Fellowship

THE HAYLEY PETIT INJURY AND VIOLENCE PREVENTION FELLOWSHIP:

The Hayley Petit Injury and Violence Prevention Fellowship was established with support from the Petit Family Foundation to honor Jennifer Hawke-Petit, Hayley Elizabeth Petit and Michaela Rose Petit. The Fellowship seeks to honor “the kindness, idealism and activism that defined their lives,” while also advancing the mission of Connecticut's Injury Prevention Center to reduce injury and violence among Connecticut’s children, adolescents and adults through research, education and training, community outreach and policy advocacy.

ABOUT THE FELLOWSHIP:

Six (6) fellowship recipients will be selected for this exciting 8-week fellowship opportunity at Connecticut Children’s Injury Prevention Center (IPC). The fellowship provides recipients with an introduction to the field of injury prevention within public health. Fellows will work with experts at the IPC to develop and design their own injury prevention-related project. **In the wake of the COVID-19 pandemic, the fellowship will be offered online, with some optional opportunities for in person learning experiences.** Selected fellows will participate in this immersion into the field of injury prevention through readings, virtual discussions, and presentations by IPC faculty and staff.

Fellowship recipients are selected for their interest in injury and violence prevention and public health as expressed in a one page essay (see details below) and indicated by your résumé. Each fellowship recipient is awarded a \$500 stipend at the end of the session.

Eligibility: The fellowship is open to students who identify as women, are able to receive federally taxed wages and are currently enrolled in an undergraduate or concurrent graduate and undergraduate degree-granting program of a college or university.

Recipients must be able to meet virtually on each **Tuesday and Thursday morning for 2.5 hours** beginning **Feb 21, 2023 through the middle of April 2023**. In addition to the 5 hours per week of live, remote meetings, students should expect to commit an additional 2-4 hours per week of independent reading and research.

Because meetings will be remote, it is essential that recipients have reliable high-speed internet access and a video camera for use during sessions.

Applications Due: Friday, February 10th, 2023

Applicants Notified of Decision: Thursday, February 16, 2023

Program Start Date: Tuesday, February 21st, 2023

Program Concludes: Thursday, April 20th, 2023

*Please make sure that your schedule allows for you to participate in 2.5 hour remote sessions Tuesday and Thursday mornings beginning February 21 2023 through the middle of April 2023.
